PREVENT THE SPREAD OF TUBERCULOSIS BY PRACTICING GOOD HYGIENE:

Cover your nose and mouth with a tissue when sneezing or coughing, and discard in a bin, or cough into your arm sleeve; wash hands frequently with soap and water for at least 20 seconds each time; travel with a personal hand sanitizer and use often.

DO YOUR PART TO HELP STOP THE SPREAD OF TB

IT's Examination Time Again!

Students in Grades 2 through 12 should be preparing to write their Michaelmas Term Examinations. Parents, here are some tips that should help your child to do well in their examinations.

1. Write out a time-table and post it at the place you study or on your refrigerator.
2. Study in a well-lit area of your home.
3. If the T.V., ipods, phones, etc. are a distraction turn them off.
4. Study for 30 minutes (Primary School) and one hour (High School) every night.
5. Don't try to do your studying the night before the examination.
6. Have all your study materials in front of you: notes, textbooks, study guides and any other relevant materials.
7. Organize your worksheet and notes in their subject areas.
8. Study the most important information
9. Write down key words, phrases and definitions as you review your work.
10. Make sure you understand the material well. Do not just read through the material and try to memorize everything.
11. Studying in groups is good. If you choose to study in a group, only study with others who are serious about the test.
12. Test yourself or have someone test you on the material to find out what your weak and strong areas are. You can use the review questions at the end of each chapter or practice tests that teachers may have given as well as other materials.
13. Get 8 to 10 hours of sleep every night.
14. Eat three nutritious meal everyday; one of them being breakfast, the most important meal of the day.

Welcome to Edline!

Congratulations! Our school is back on edline. Edline is an easy way for you to keep up-to-date on line. Once you have activated your account, and information has been posted by St. Andrew's Anglican School, you can use edline to:

- ♦ Check your child's latest grade.
- ♦ Receive email alerts when new grades are posted
- ♦ Receive email with school or class information
- ♦ See what homework is not turned in and read notes from your child's teachers.
- ♦ View team and club activities.
- ♦ Verify attendance
- ♦ View your combined calendar to see all the events from the school calendar and your child's own classes and activities that are automatically collected and personalized
- ♦ Read daily announcements, lunch menu, school policies, classroom news
- ♦ And much more.

How to set up your Edline Account

To begin using your edline account right now, just follow these easy steps

1. Make sure you have a personal Edline Activation Code. You may collect your code from your child's homeroom teacher. **CODES WILL BE AVAILABLE IN JANUARY 2018!**
2. Go to www.edline.net and click on '**Click here if you have a new activation code**'

To see pictures and directions of steps 3 and 4, click the HELP button at the top of the edline page. Follow instructions, or for more information click the ' *Print an account set up guide*' link

3. Fill in your activation code. You may receive one parent code for each child. If you receive several codes because you have several children, enter each parent code one after the other. Then you can view all your children's information from the same login account. If you happen to receive the same code for the same child twice you do not have to enter it again. Click "Activate This Code" once you have entered all codes.
4. Follow the remaining steps to create your Edline Screen Name and Password. When asked if you already have an account, click "New Account" if this is your first time using Edline. If you already have an Edline account, click "Combine Account" to add this child to your existing account.
5. On the last account activation page, print the "Student/Parent Quick-Start Guide" so you can make most of edline. After this, you no longer need your Activation Code- you will always use your Screen Name and Password to access edline. **Don't share this information with anyone!**

Whenever you login to edline, click on your child's name in the yellow shortcuts box. You will then see the shortcuts to his or her classes, activities, calendar and reports. Be sure to click the HELP button and read or print the 'Student/Parent Quick- Start-Guide' to take advantage of edline features.

DO NOT GIVE YOUR CHILD YOUR PASSWORD
